To . H.V.Nanjundayya Esquire M.A.M.L.

Secretary to the Government of

H.H. the Maharaja of Mysore,

General and Revenue Departments

Sir ,

With reference to the marginally noted orders of Government defining the powers and duties of Superintendents and Assistant Superintendents of Police Sub Division Officer and Deputy Commissioners , I have the honor to forward herewith for the approval of Government a set of rules based on the existing orders of government and which as may be observed, do not in any wise interfere with the powers that are already vested in them

+ S-No 1 No 450 - 60 dated 1st November 1891

+ SNo- 3 12484-6/J705 dated 15th February 1895

+ SNo-10 155/38-9/J1333 dated 18th March 1902

2. Past experience has shown that men who

have successfully passed out of the Police training School are very often left without appointments and instances are not rare in which men of indifferent character and education have succeded in securing appointments and promotions .With a view to secure the enlistment of the successful students who are trained at great cost and trouble in the police training school at Bangalore and to improve. the efficiency of the Force , I have framed a set of rules consistent with the existing orders of Government regarding the power of appointments and - - - promotions and I have no hesitation to add that the adoption of these rules will surely attract a better class of men to the school and eventually into the - - - Police service where reform in this direction is most needed

3 I request that you will be good enough to obtain the orders of government for the introduction of these rules as owing to the absence of distinct and - - definite orders on the subject many a successful student from the training School is left without an appointment

I have the honor to be
Sir ,
Your most obedient servant
